# EXPAND MINI CART

On mobile devices, users can view their mini cart (estimated totals) by selecting the down arrow icon.

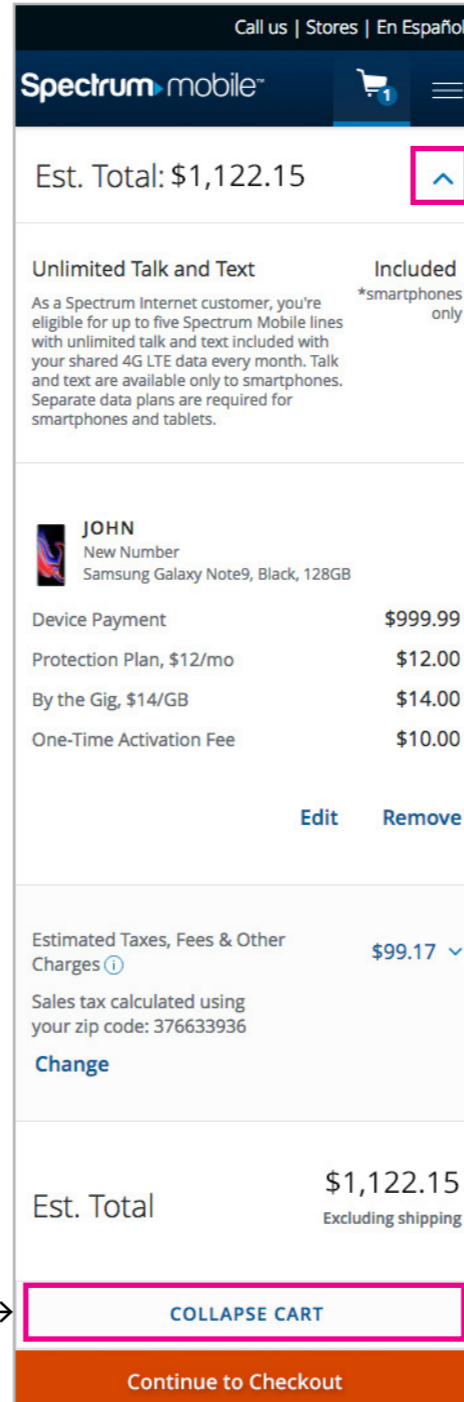

Layout/design, content, and functionality is the same as the Spectrum Mobile website.

Users can "Continue to Checkout" by selecting the sticky footer/button at the bottom

# COLLAPSE MINI CART

Users can select the arrow to collapse the mini cart and be brought back to their shopping cart.

Users can also select "Collapse Cart" to collapse the mini cart and be brought back to their shopping cart.

# ADDED ACCESSORY/LINE

Update the estimated total for each line and/or accessory added to the user's shopping cart.
